

ARLINGTON, MA: Revised MBTA Small Residential Zone Centered Around MBTA Bus Lines, 6.21.23

From: Edwin Fields
Date: Tue, Jun 22, 2023 at 11:51 PM
Subject: Revised MBTA Residential Zoning Maps

Here's a map of a smaller MBTA Residential Zoning district, centered around residential blocks generally with densities under 15 units/acre. Confining MBTA Residential zones here will preserve existing dense neighborhoods, helping to preserve the town's character. Please forward this to the MBTA Working Group, and please contact me with any questions.

Thanks,
Ted Fields
